

SECRET ICT5

FINISH : BLACK WITH WHITE GRID

SECRET is a range of in-ceiling and in-wall speakers that delivers high quality sound that fits in. Thanks to an ultra-slim magnetic grid, the SECRET speakers disappear to make room for the music.

Suitable for both commercial and private interiors, the SECRET speakers are highly versatile and offer an easy set-up to everyone.

ICT5 features a 5 inches midrange/bass driver, a movable tweeter and provides power handling of 110W.
